Dear Xiaolei Wang,

I am pleased to invite you to attend the Goldschmidt2018 conference being held August 12-17, 2018 in Boston, Massachusetts, USA at the John B. Hynes Veterans Memorial Convention Center. With more than 3,000 geochemists and exhibitors expected from over 50 countries, this conference is the global event for geochemistry and offers participants the opportunity to network with other geochemical students and scientists from around the world at our special events and receptions.

The hosts of the event, the Geochemical Society (GS) and the European Association of Geochemistry (EAG), represent more than 5,000 members of geochemical companies, academic institutions, geological surveys and related organizations from across the globe. We would be delighted if you joined us in Boston this year.
